

REJC
U.S. National Phase of PCT/EP2003/003149

REMARKS

The above amendments are made to insert a cross reference to the PCT application upon which the instant U.S. national phase is based and to eliminate multiple dependencies in the claims.

The one page English translation of the German specification pages annexed to the IPER includes the paragraph which is produced in bold and should be inserted before the first full paragraph on page 4.

Respectfully submitted,

NIXON & VANDERHYE P.C.
